

You need a **PARTNER.**

A trusted ally who is **EASY** to do business with.

A company with **RELIABLE**, innovative solutions and

RESPONSIVE, dependable support.

That partner is Muratec.

Expect one-to-one,

Personal Relationships.

Getting the most out of your business **requires focus.**

Focus on what you do best. And on the business partners who help you reach your goals.

Make one partner Muratec. We offer a specialized lineup of multifunction office equipment — innovative and reliable solutions that incorporate print, fax, scan, copy and digital document management functions into single, powerful business tools.

We're also focused. Focused on being a great company to do business with. Focused on providing unmatched customer support. And focused on helping you do what you do best.

F-360

Demand products with

Superior Reliability.

Muratec Fax

The words Muratec and fax have been synonymous since fax machines were introduced. Rely on the complete range of fax solutions from the recognized industry leader.

Muratec Multifunction

We perfected the “multi” in multifunction. With a wide selection of fully-integrated options and features, Muratec MFPs meet the needs of all types of businesses.

Muratec Solutions

From document distribution and management tools to innovative printing and networking applications, look to Muratec for turnkey business productivity solutions.

Exclusive Muratec technologies make productivity happen.

QUADACCESS™
